## Why Me?

Why me you may ask and I have a lot of reasons on why I think I'd be suitable for the job I apply for, Firstly I am a very outgoing and love to take a challenge and won't stop until I have finished this task I have been given.

Secondly, I think you should choose me as I am very a helpful person and if I see a fellow colleague or customer needing help, I'll stop my task and help them out if its needed.

Lastly you should choose me over someone else is because I am a team worker and listen to people to make tasks easier for everyone and I can also take a leader role and make sure work is done fast but sufficiently as a team.
